

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims

1-20. (Cancelled)

21. (Previously presented) A method for treating pain associated with a muscle disorder, the method comprising the step of administering an effective amount of a botulinum toxin type B to a patient, thereby reducing pain associated with a muscle disorder.

22-37. (Cancelled)

38. (Currently amended) The method of claim [[22]] 21, wherein the pain is associated with a muscle spasm in a condition secondary to a sports injury.

39-40. (Cancelled)

41. (Previously presented) The method of claim 21, wherein the pain is lower back pain.

42-50. (Cancelled)

51. (Previously presented) A method for treating lower back pain, the method comprising the step of intramuscular injection to a cholinergic influenced muscle of a patient of a

therapeutically effective amount of botulinum toxin type B,
thereby reducing a lower back pain.

52. (Cancelled)
